

THE THREAT FROM IRAN

IRAN'S LEADERS SEE AMERICA AS THE ENEMY

The Iranian regime represents one of the greatest threats facing the United States. Iranian leaders have called the United States a “satanic power” and have issued calls for its destruction. A nuclear capability would strengthen the regime and enable it to increase its anti-American activities.

“ America has no way but using force and bloodshed to achieve its goals, which further harms America’s rulers, international and domestic credibility. ”

– Ayatollah Ali Khomeini, Supreme Leader of Iran

“ Today, the time for the fall of the satanic power of the United States has come, and the countdown to the annihilation of the emperor of power and wealth has started. ”

– Mahmoud Ahmadinejad, President of Iran

“ As long as America exists, we will not rest... We must raise public hate against the despotic powers and create the environment for the destruction of America. ”

– Mohammad Reza Naqdi, Head of Iran’s Basij Paramilitary Force

“ At the end of the day, we are an anti-American regime. America is our enemy, and we are the enemies of America... Just like [our] movement destroyed the monarchical regime here, it will definitely destroy the arrogant rule of hegemony of America, Israel, and their allies. ”

– Ayatollah Ahmad Jannati, Chairman of Iran’s Guardian Council
