

THE THREAT FROM IRAN

IRAN'S LEADERS THREATEN ISRAEL

The Iranian regime represents one of the greatest threats facing America's ally Israel. Numerous Iranian leaders have foreshadowed Israel's destruction. A nuclear Iran would be an existential threat to the Jewish state.

“It is the mission of the Islamic Republic of Iran to erase Israel from the map of the region.”

– Ayatollah Ali Khomeini, Supreme Leader of Iran

“Whether you like it or not, the Zionist regime is heading toward annihilation. The Zionist regime is a rotten, dried tree that will be eliminated by one storm.”

– Mahmoud Ahmadinejad, President of Iran

“The Zionist regime is a center of germs and cancerous cells and if it exists in even one small part of Palestine it will mobilize again and hurt everyone ... The goal of all believers and seekers of justice should be the disappearance of the Zionist regime.”

– Mahmoud Ahmadinejad, President of Iran

“In the near future we will witness the destruction of the cancerous parasite, Israel, at the strong hands of the Hizballah fighters.”

– Mohammad Ali Ja'ffari, Commander of the Iranian Revolutionary Guards

“The Iranian nation is standing for its cause and that is the full annihilation of Israel.”

– Hasan Firouzabadi, Chief of the Iranian Armed Forces
