AIPAC MOURNS THE LOSS OF ED SANDERS

AIPAC expresses its deep condolences to the family and friends of Ed Sanders, who passed away earlier this week.

As a past president of the AIPAC Board of Directors, Ed was a longtime leader in America's pro-Israel community and close friend and advisor to many of our country's most influential policy makers and elected officials.

The entire AIPAC community extends its sympathies to his wife Rose and their family. May his memory forever be a blessing.
