AIPAC Wishes Illinois Senator Mark Kirk a Speedy and Full Recovery

Following Illinois Senator Mark Kirk's stroke, the American Israel Public Affairs Committee (AIPAC) sent him the following letter:

We want to extend our very best wishes for a full and speedy recovery to our dear friend, Senator Mark Kirk, and to let him and his family know that he is in our thoughts and prayers. We know that the vivacious spirit, tenacity, courage and sheer determination that the Senator displays every day will be among the many strengths of character that help him toward his journey back to good health.

We as a nation are blessed to have his leadership, and those of us who are fortunate enough to work closely with the Senator are lucky to count him as a friend and ally. Just as he has always helped our nation and the State of Israel meet difficult obstacles, we pray that he and his loved ones are helped by the knowledge that they are not alone. We are an extended family of friends wishing the Senator's restoration to good health.

On behalf of the AIPAC National Board of Directors, leadership and staff in Washington, D.C., Chicago and throughout the country, we send our heartfelt prayers and our friendship always.

Sincerely,
