AIPAC REAL ESTATE DIVISION

AIPAC launched an effort to engage activists from New York’s real estate community in AIPAC’s critical work through the establishment of the AIPAC Real Estate Division. The primary purpose of this effort is to encourage participation in AIPAC, engagement in pro-Israel political efforts together with industry colleagues, and the building of relationships with members of Congress.

Past events include The 2011 AIPAC Real Estate Luncheon at The Grand Hyatt with 700 industry leaders featuring U.S. Senator Mark Kirk (R-IL), The 2010 Luncheon at Cipriani 42nd Street featuring Newark, New Jersey Mayor Cory A. Booker and The 2009 Luncheon at the Plaza Hotel featuring U.S. News and World Report Editor-in-Chief Mortimer Zuckerman; a series of insider breakfast and lunch briefings with guest speakers: Wall Street Journal columnist Bret Stephens; Start-Up Nation Co-Author Dan Senor; CBS News election analyst Norm Ornstein; Middle East scholar Dr. Daniel Gordis; terrorism finance expert Avi Jorisch; former Ambassador Yehuda Avner, U.S. Reps. Mike Grimm (R-NY), Steve Israel (D-NY) and Peter King (R-NY); Israeli Consul General Ido Aharoni, and AIPAC Political Director Rob Bassin. Each June committee members are invited to a Summer Rooftop Reception at one of Manhattan’s most appealing venues such as the Dream Downtown Hotel, 230 Fifth and the Gansevoort Park Avenue Hotel. Committee members have had “beyond the headline” exchanges with Israel’s Vice Prime Minister and former IDF Chief of Staff Moshe “Bogie” Ya’alon, former Israeli Deputy Defense Minister Dr. Ephraim Sneh, and AIPAC Executive Director Howard Kohr.

Patron Co-Chairs of the AIPAC Real Estate Committee took part in a special AIPAC briefing hosted by Milton Cooper and enjoyed an exclusive dinner reception and Israeli wine tasting event with their spouses at the Regency Hotel.

ABOUT AIPAC

The American Israel Public Affairs Committee is the only American organization whose principal mission is to lobby the U.S. government about legislation that strengthens the relationship between the United States and Israel.

Every day, the professional staff and members of AIPAC are hard at work helping to educate members of Congress, candidates for public office, policymakers, media professionals and student leaders on college campuses about the importance of the U.S.-Israel friendship. Headquartered in Washington, D.C., the organization has 10 regional offices focused on bringing our message to legislators throughout the country.

Today, AIPAC is broadening and deepening the U.S-Israel bond by working to secure vital aid for Israel to help ensure Israel remains strong and secure. AIPAC is working to promote strategic cooperation between the two nations, to develop sound U.S. anti-terrorist policies and to stop rogue nations such as Iran from acquiring weapons of mass destruction.

AIPAC is registered as a domestic lobby and supported financially by private donations. The organization receives no financial assistance from Israel, any national organization or any foreign group. AIPAC is not a political action committee. It does not rate, endorse or contribute to candidates. Because it is a lobby, contributions to AIPAC are not tax deductible.

For more than 50 years, AIPAC has worked to make a difference. Because of your commitment to AIPAC, together we can continue to make a difference.

AIPAC – “the most important organization affecting America’s relationship with Israel.”
